# Engineering Colloquium

Hosts: Career And Placement Cell, IIT Mandi

## Preamble to the Problem:

Exodia '18 presents Engineering Colloquium - A Mock Placement Session.

Thoroughly covering every major aspect of the placement process from GDs to interviews, the Colloquium will prove to be a hands-on exposure to the intricacies of the process and preparation required.

## Event Set-up:

**Stage-1 : Group Discussion** – Initially, the participants will be divided into groups of appropriate sizes for group discussions on topics to be revealed on-the-spot. A mediator to ensure smooth conduct and relevancy in the discussion will be present.

In all, 10 people will be selected and short listed for stage-2, Personal Interviews

**Stage-2: Personal Interviews** – A competitive panel will put the participants' knowledge, attitude and aptitude to test in an individual interview and screening test.

## Eligibility:

1. Any student with a valid identity card of his/her respective educational institute is eligible to participate.

**Coordinator:** Akul Gupta(9467858761)
